

Sheremetyevo International Airport

From Sheremetyevo International Airport to the Belorussky Rail Terminal

Passenger air terminals E, D, and F at Sheremetyevo Airport and the Aeroexpress Terminal are connected by pedestrian galleries. Follow the signs.

Transportation between Terminal B and the South Terminal Complex (Terminals D, E, F, and Aeroexpress) is provided by automated trains.

Travel time between the stations of Sheremetyevo 1 (new Terminal B) and Sheremetyevo 2 (Terminals D, E, and F) is four minutes, including the waiting time for the next train.

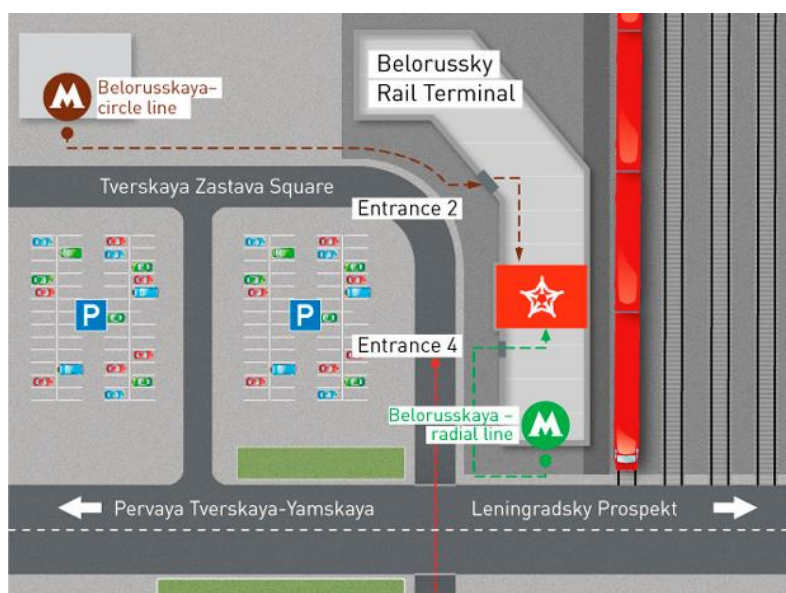

From the Belorussky Rail Terminal to Sheremetyevo Airport

The Aeroexpress terminal can be entered through entrances 2 and 4 of the Belorussky Rail Terminal (Belorusskaya metro station).

There are Aeroexpress ticket vending machines at the terminal. They dispense change and accept bank card payments.

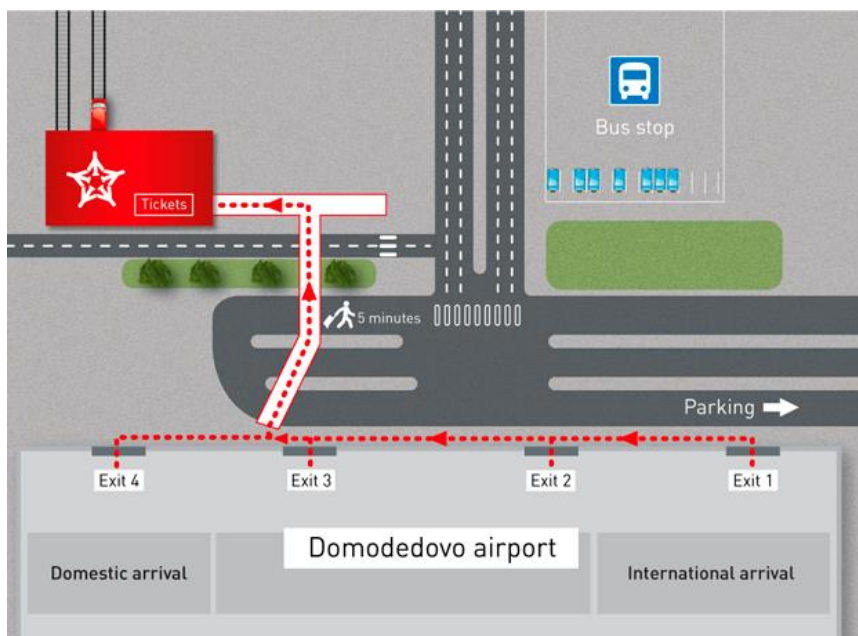

Trains arrive at the Aeroexpress Rail Terminal platform located at Sheremetyevo Airport.

Passenger air terminals E, D, and F at Sheremetyevo can be accessed through a pedestrian gallery, located on the 3rd floor of the Aeroexpress Terminal. Follow the signs.

Moscow Domodedovo Airport

From Moscow Domodedovo Airport to the Paveletsky Rail Terminal

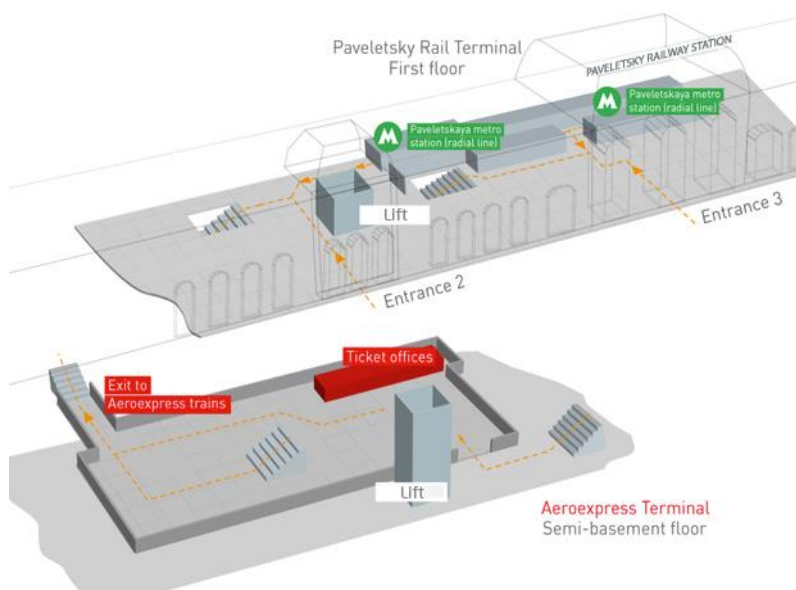

The railway platform, from which Aeroexpress trains depart to the Paveletsky Rail Terminal in Moscow, is opposite exit 3 of the Domodedovo air-rail complex. Follow the signs in the airport to reach the platform from the international flights arrival hall.

From the Paveletsky Rail Terminal to Moscow Domodedovo Airport

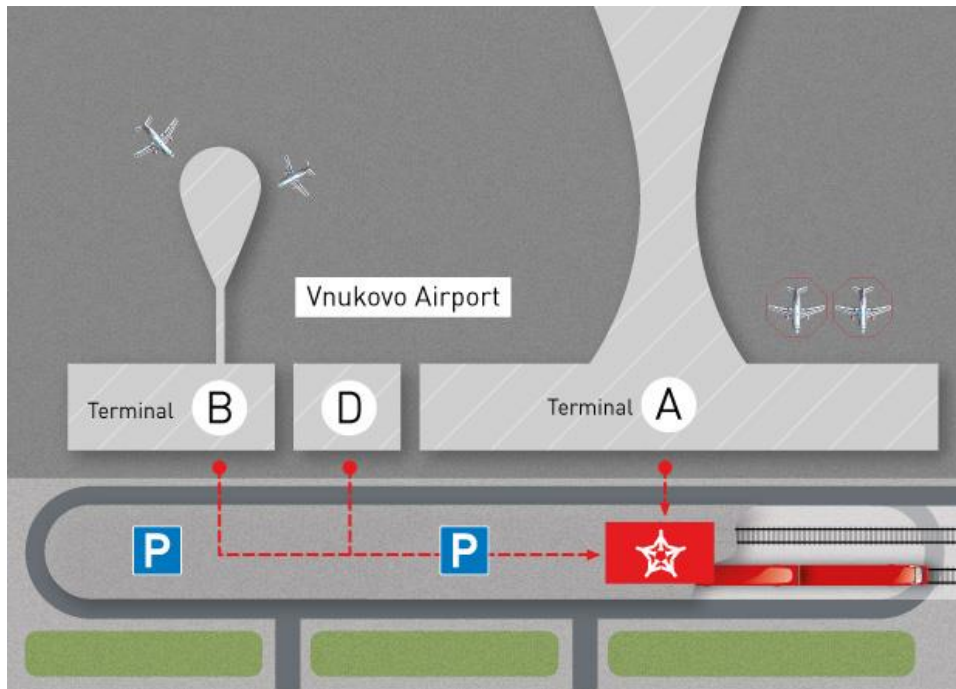

The Aeroexpress Rail Terminal is situated in the Paveletsky Rail Terminal. The terminal building can be entered through entrance 2 of the Paveletsky Rail Terminal or through the entrance hall of the Paveletskaya metro station (radial line). Follow the signs.

Aeroexpress trains arrive at the Domodedovo air-rail complex.

Vnukovo International Airport

From Vnukovo International Airport to the Kievsky Rail Terminal

The ground entrance to the Aeroexpress station is within walking distance of Terminals A, B, and D. Passengers travelling from international Terminal A need to go down to floor zero by lift or escalator to enter the Aeroexpress station. Follow the signs.

From Kievsky Rail Terminal to Vnukovo International Airport

The entrance to the Aeroexpress Terminal is in Kievsky Rail Terminal building (Kievskaya metro station (Kievskaya Rail Circular or Radial Railway) opposite the Evropeysky Shopping Mall).

Aeroexpress trains arrive at the underground rail station, which is opposite Terminal A of Vnukovo International Airport.
